The screenshot shows the Microsoft Word interface with the 'Table Design' ribbon selected. The 'Layout' tab is active, displaying various options for table manipulation. The 'Delete' dropdown menu is open, showing the following options: 'Delete Cells...', 'Delete Columns', 'Delete Rows', and 'Delete Table'. The 'Delete Rows' option is highlighted with a blue selection bar. Below the ribbon, a table with 3 columns and 3 rows is visible. The table has a small square handle in the bottom right corner.
