

Listen to "You know my name" by Chris Cornell and complete the lyrics:

If you take a life do you know what you'll give?
Odds are you won't like what it is
When the storm arrives would you _____ with me
By the merciless eyes of deceit?

I _____ angels fall from blinding heights
But you yourself are _____ so divine
Just next in line

[CHORUS]

Arm yourself because no one else here _____ you
The odds will betray you
And I will replace you
You _____ the prize it may never fulfill you
It longs to kill you, are you willing to die?
The coldest blood _____ my veins
You know my name

If you come inside things _____ the same
When you return to the night
And if you think you've won you never saw me change
The game that we've all _____

I've seen this diamond cut through harder men
Than you yourself but if you _____
You may meet your end

[CHORUS]

Try to hide your hand
Forget how to feel
Life _____ with just a spin of the wheel

[CHORUS]

You know my name (x6)

KEYS:

If you take a life do you know what you'll give?
Odds are you won't like what it is
When the storm arrives would you **be seen** with me
By the merciless eyes of deceit?

I've **seen** angels fall from blinding heights
But you yourself are **nothing** so divine
Just next in line

[CHORUS]

Arm yourself because no one else here **will save** you
The odds will betray you
And I will replace you
You **can't deny** the prize it may never fulfill you
It longs to kill you, are you willing to die?
The coldest blood **runs through** my veins
You know my name

If you come inside things **will not be** the same
When you return to the night
And if you think you've won you never saw me change
The game that we've all **been playing**

I've seen this diamond cut through harder men
Than you yourself but if you **must pretend**
You may meet your end

[CHORUS]

Try to hide your hand
Forget how to feel
Life **is gone** with just a spin of the wheel

[CHORUS]

You know my name (x6)
