First things first

I'ma say all the words (1) _____ my
head
I'm fired (2) _____ and tired of the way that
things have been, oh-oooh
The way that things have been, oh-oooh

Second thing second

Don't you tell me what you think that I could be
I'm the one at the sail, I'm the master of my sea, oh-
oooh
The master of my sea, oh-oooh

I was broken (3) _____ a young age
Taking my sulking to the masses
Writing my poems for the few

shook (5) _____ me, feeling me
Singing from heartache (6) _____ the pain
Taking my message from the veins
Speaking my lesson from the brain
Seeing the beauty (7) _____ the...

You made me a, you made me a believer, believer
Pain!
You break me (8) _____ and build me

My life, my love, my drive, it came (10) _____...
Pain!
You made me a, you made me a believer, believer

First things first

Can you imagine what's about to happen?
It's Weezy the Dragon, I link with the Dragons
And we gon' get ratchet, no need for imaginin'

This is what's happenin'

Second thing second, I reckon immaculate

Sound about accurate
I know that strength, it don't come, don't come without
strategy
I know the sweet, it don't come without cavities
I know the passages come with some traffic
I start with from the basement, end up in the attic

And third thing third

Whoever call me out, they simply can't count
Let's get mathematic, I'm up in this, huh

Is you a believer?

I get a unicorn out of a zebra
I wear my uniform like a tuxedo
This dragon don't hold his breath, don't need no
breather
Love you Ms. Cita, the son of a leader
I know the bloomin' don't come without rain
I know the losin' don't come without shame
I know the beauty don't come without hurt

Hol' up, hol' up, last thing last

I know that Tunechi don't come without Wayne
I know that losin' don't come without game
I know that glory don't come without...
Don't come without...

(Repeat) ***

Last things last

By the grace of fire and flames
You're the face of the future, the blood in my veins,
oh-oooh
The blood in my veins, oh-oooh
But they never did, ever lived, ebbing and flowing
Inhibited, limited 'til it broke open and rained down
It rained down, like...
