

Read the letter. Then, answer the questions.

Hi, Adam.

My name is Zarif. I'm eleven and I'm from Kuala Lumpur, Malaysia. I'm into sport too. My favourite sports are badminton and hockey. I like football too. I'm interested in movies and my favourite films are Star Wars and Jurassic Park. Apart from movies, I like gardening. My parents are teachers. They like books, so they are into reading. My mum likes to cook. Beef rendang and tom yum are her favourites. I'm the youngest son in my family. I've got two brothers. They are good at football. They like David Beckham and Lionel Messi.

Well, that's all for now. I'm looking for your next letter.

Regards,  
Zarif.

Find the right answers for the questions.
