Student Voices

What do you like or dislike about shopping? What do you usually buy?

Shopping is fun! I like to buy bags and accessories. I just bought a new bag and I love it! There is not enough space for all my things, but it looks great. - **Fatima**

I like clothes shopping but there are some things that I don't like. I'm tall so clothes are often too small for me. It takes time to find the right size. - **Omar**

I think shopping is difficult. There are too many people and it's noisy. Shopping online is much easier. I usually buy t-shirts. - **Saif**

I like going to sports shops because I play a lot of sports. However, there are not enough sports shops at the mall. I always go to the same shop and buy the same clothes. - **Amy**
