i.-Listen and choose the correct answer (8 points)

1.-What will Julie use tomorrow morning?

My name is Julie and tomorrow morning I have a very important presentation, I think I won't use my computer or my mouse because it is too heavy so I will use my flash drive that it is very safe to present tomorrow.

2.-What will Carlos like to use at home?

My name is Carlos and this afternoon I will have to clean my house because some friends are coming , I think I won't be able to sue the washing machine because it is not working, and I won't use the iron because I don't need to use it to clean. I believe I will just turn on the radio and use my loudspeaker to motivate myself to clean.

3.-What won't Sonia take for her trip?

Right now I am deciding what will I take or won't to my trip to Chiloe. I think I will take my camera and I also need my keyboard. I think I won't take the car even though it will very useful but I don't think I need it.

4.- What will John stop using because he is too addicted to?

My name is John and I think I will need to stop using this electronic device that it is really good I but it makes me to waste toO much time using it . I love to use my headphones, but I won't stop using them, or my loudspeaker because I just use it when I am at home , but I will stop using my mobile phone because it is too much for me

5.- What will Alejandra sell by the internet?

My name is Alejandra and I will have to sell some things in the internet I think I don't use them too much so I will sell it is not my washing machine because I use it every day I think the dishwasher is not that useful and spent a lot of water so I will sell it by the internet, the vacuum cleaner of course not the vacuum cleaner stays at home

6.-What will Nataly buy for her new Job?

My name is Natalie and I got a new job I'm so excited about, it however I will have to buy an electronic device that is useful and they don't give it to me which is not good I think I will buy a camera because I have to take pictures of situations that happens on the streets by the way I am a journalist it's not only about recording it's also about taking pictures of the evidences.

7.- What will the school give to the students ?

The Government of Chile is saying an announcement right now, they're saying that all the students will receive a new electronic device that is going to be very useful for them, of course this electronic device doesn't need a battery or a projector which it would be very weird for them to receive, so the government will give each student in a printer and computer, these will help the kids to learn and look for information that is important for their learning.

8.-What will Andrés buy for his kids?

Andres is the father of two kids there like 5 years old, for Christmas he wants to buy something very nice and he's thinking about it and he's saying that he will buying a plane for the kids it like a plane toy so the kids love everything related to the sky and the universe, they love rockets but they already have one so their father will buy two planes for each kids.
