'The Lion, the Witch and the Wardrobe' is an exciting action film for all the family. The plot is about four children who discover a magical world through the back of a wardrobe. This ancient land is called Narnia and it's freezing because winter never ends there.

Narnia is ruled by a terrifying witch who can turn people into stone. My favorite scene is the goat battle at the end of the film. The children join with Aslan, an enormous lion, to fight the evil witch and her helpers. The special effects in this scene are astonishing. Four children star in the film and my favorite characters are the unkind Edmund and his clever little sister, Lucy. This is a fascinating film. You are glued to the screen from the beginning to the end. I give it 10/10.
