Hi Grandma!

We're staying in a really great hotel. It's got a wonderful restaurant and pool. The food is fantastic and all the waiters are really kind. We can't play tennis outside, but I like visiting museums and there's a really famous one in the town. We can go there tomorrow. I can't wait! Mum's OK, but she doesn't like the weather. She says it's too cold.

From our window you can see the river but not the sea! We're coming home on Saturday. I'd like to come and see you at about eight o'clock. I've got a present for you!
