Read the following passage and choose the best answer to each of the questions:

Did you ever watch a video on the Internet? Maybe you used YouTube. YouTube is a Web site where people can share their video. Today, YouTube is an important part of the Internet. However, that wasn't always true.

YouTube started with a young man named Jawed Karim and two friends. One day, Karim was on the Internet. He wanted information about 2004 tsunami in Southeast Asia. He found news stories about it, but he couldn't find any videos. **This** gave Karim an idea. He wanted to help people to put video on the Internet. Karim told his friends about this idea. Together, they created a company- YouTube.

YouTube became a global success. Millions of people around the world visited the Web site. It was clear to Google, another Internet company, that YouTube had a lot of value. Google made a deal. It bought YouTube for \$1.65. As a result, YouTube investors and its employees made a lot of money. The three friends who started YouTube were very big investors. Therefore, they made an enormous amount of money.
