"Copacabana (At The Copa)"

Watch, listen and choose the words you hear.

Her name was Lola, she was a showgirl
With yellow feathers / fathers in her hair and a dress cut down to there
She would merengue and do the cha-cha
And while she tried / white to be a star
Tony always tended bar
Across the crowded floor, they worked from 8 til 4
They were young / bong and they had each other
Who could ask for more?

[Chorus:]
At the copa (CO!) Copacabana (Copacabana)
The hottest spot north / both of Havana (here)
At the copa (CO!) Copacabana
Music and passion were always the fashion
At the copa.... they fell / gel in love

His name was Rico
He wore / tore a diamond
He was escorted to his chair, he saw Lola dancing there
And when she finished, he called her over / slower
But Rico went a bit too far
Tony sailed / failed across the bar
And then the punches flew and chairs were smashed in two
There was blood and a single gun shot
But just who shot who?

[Chorus]
At the copa... she lost her love

Her name is Lola, she was a showgirl
But that was 30 years ago, when they used to have a show
Now it's a disco / risk , but not for Lola
Still in the dress she used to wear / hear
Faded feathers in her hair
She sits there so refined, and drinks herself half-blind
She lost her youth / mouth and she lost her Tony
Now she's lost her mind / kind

[Chorus]
At the copa... don't fall in love
Don't fall in love
