- F- Do you use a **question mark** at the beginning of the questions?
- G- Why isn't there an **interrogative word** in the questions in **COLUMN B**?

- 1- To refer to the **present** (I/you/we/they).
- 2- Because we need a YES/NO for an answer so that the interrogative word is omitted.
- 3- To refer to the **future**.
- 4- To refer to the **past**.
- 5- No, question marks are used just at the end of a question.
- 6- DO/DOES - DID - WILL
- 7- To refer to the **present** (she/he/it)
