

Helping Around My Home

1. Listen and read along with the story below. Drag the correct pictures into the blank spaces to complete the story.

My family and I help around the house each

day. My grandpa and I help make the beds in the

bedroom each morning. My mom and grandma

help cook dinner in the kitchen in the evening. After

dinner, my dad takes out the trash. Before bedtime, my

brother, sister, and I pick up the toys in the living room. We

all work hard to help one another and keep our home tidy.
