

# Avicii - „Wake Me Up“

Listen and complete the song.

Feeling my way through the  
Guided by a beating  
I can't tell the journey will end  
But I know where to

They tell me I'm too to understand  
They say I'm caught up in a  
Well will pass me by  
if I don't open up my  
Well that's fine by me

So me up when it's all over  
When I'm wiser and I'm  
All this I was finding myself  
And I didn't know I was

So me up when it's all over  
When I'm wiser and I'm  
All this I was finding myself  
And I didn't know I was

I tried carrying the weight of the  
But I only have hands  
I hope I get the to travel the world  
And I don't have any

I wish that I could stay this young  
Not afraid to close my

Life's a made for everyone  
And is the prize

So me up when it's all over  
When I'm wiser and I'm  
All this I was finding myself  
And I didn't know I was

So me up when it's all over  
When I'm wiser and I'm  
All this I was finding myself  
And I didn't know I was

I didn't know I was
