« To \_\_\_\_\_ someone up » means to flirt with someone at a party and offer to take

that person home.

When a boy wants a girl to know he likes her, he often uses « pick up lines » (mélange de compliment et de blague...qui ne marche pas toujours!). What examples are in the video ?

| Apart from being sexy, what do you do for a living ? |
|------------------------------------------------------|

|                                                        |
|--------------------------------------------------------|
| Do you have a map ? I keep getting lost in your eyes ! |
|--------------------------------------------------------|

|                                           |

| Do you like raisins ? How about a date* ? |
|-------------------------------------------|

\* A date = une datte (fruit) ou bien un rendez-vous.

A « wingman/\_\_\_\_\_ » is someone who helps you pick someone up.

You « \_\_\_\_\_ on someone » if you insist too much and are considered creepy.

If you want to flirt, you must remember some important rules. Which ones ?

|                                         |
|-----------------------------------------|
| Do not talk about the person's clothes. |
|-----------------------------------------|

|                                                       |
|-------------------------------------------------------|
| Respect people's decision. If it's NO, don't insist ! |
|-------------------------------------------------------|

|                                 |
|---------------------------------|
| Never mention the person's age. |
|---------------------------------|

|                                                                     |
|---------------------------------------------------------------------|
| Respect personal space. Do not touch people and keep your distance. |
|---------------------------------------------------------------------|

|                                     |
|-------------------------------------|
| Giving a present is very important. |
|-------------------------------------|

|                                                                           |
|---------------------------------------------------------------------------|
| Be confident (confiant) but subtle (subtile). Keep eye contact and smile. |
|---------------------------------------------------------------------------|

|                             |
|-----------------------------|
| Do not talk about marriage. |
|-----------------------------|

If you want to compliment someone, you can say...

...has anyone ever \_\_\_\_\_ you ? ...can I just \_\_\_\_\_ ... ? ...I \_\_\_\_\_ your ....

If someone is funny, you can say « your laugh is \_\_\_\_\_ » / « you're so much \_\_\_\_\_ to be around » or « you're hysterical ».

If someone is really cool, you can say « you're super cool » (...) « you're a complete \_\_\_\_\_ »

To get some \_\_\_\_\_ information, just ask about someone's social media !
