Lab Rules

(One)

Working in the lab and I'm

thinking about _____

(Got _____ drawn, and _____ on)

Open-toe shoes outta here

Are you going crazy?

(Things could go wrong, things could go wrong)

My _____

They make me safe around chemicals, the chemicals

My love

Tie back your _____ and prep materials, the materials

One; don't you _____ or sniff

You know you should be wafting if you're taking a _____

Two; don't _____ it in

Until the label's _____ again

Three; no food or _____

Unless you wanna have us find you _____ in the morning

And if you _____ this, you will _____ the risk

I got lab rules, I count 'em

I got lab rules, I count 'em

Long hair tied back against _____

I got lab rules, I count 'em

Now go and tell 'em to a _____

I got lab rules, I count 'em

drink

myself

dead

mitigate

follow

whiff

lab coats

friend

taste

checked

hair

gloves

goggles
