*Hi, friends!*

*Let me introduce my sister. Her name is Sophia and she is 23 years old. She is absolutely beautiful! Boys are very fond of her! She has got long black hair, blue eyes and a pretty little nose. Her eyelashes are extremely long. She's got very nice white teeth. She's about 176 cm tall and she weighs 56 kg. She's slim and she has got long legs, but her feet are quite small.*

*She goes to university where she studies Economics. Sophia is very clever that's why she gets a lot of scholarships. I think there is nothing negative about her. She's very kind, she pays attention to her friends (she has many). She's usually cheerful and likes jokes a lot.*

*My sister is very helpful. She helps me with my homework and always helps my parents about the house.*

*In her free time, she works as a model for a big and famous company. She often goes jogging to keep herself fit and healthy.*

*My parents are very proud of her.*
