Read the text.

On the second day, we did some shopping. We walked along the road looking at all the shops. We went to a mall and took the lift to the food court. We ate some noodles.

Next, we went to a bookshop. It was very big and I liked looking at all the books for children. I sat in that shop for one hour! When we went back to our hotel we all had very sore legs!

On the third day, we went to the Flyer. It is a big wheel that you can ride on. We all got into a capsule to travel around the wheel. I felt very excited! The Flyer moves slowly and when you get to the top you feel very high up! I could see buildings, parks and the river. I felt like a bird up high in the sky. It was a lot of fun.
