

Name \_\_\_\_\_

Writing a story

## Story Time

A story has **characters**, a **setting** (where and when the story takes place), and a **plot** (the events that happen in a story). The main story character often faces a problem which is introduced at the **beginning** of a story, developed in the **middle**, and solved at the **end**.

Develop your own story about the picture. First, answer the questions.

1. What or who is the story about? \_\_\_\_\_

---

---

---

2. Where and when does it take place? \_\_\_\_\_

---

---

---

3. How will the story begin? \_\_\_\_\_

---

---

---

4. What happens in the middle? \_\_\_\_\_

---

---

---

5. How will the story end? \_\_\_\_\_

---

---

---
