1 Read the next text.

Laura: David, can I borrow your cell phone?

David: Sure. It's **on** the table.

Laura: Thanks. Whoa! Your room's really messy. Oh, can I borrow your MP3 player, too?

David: Sorry, Laura, I need it.

Laura: Please, David! Just for tonight?

David: All right. It's **in** my backpack.

Laura: Thanks! Where's your backpack?

David: It's here, **next to** my chair.

Laura: Your MP3 player isn't **in** your backpack here **on** the floor, **under** the table.

Carlos: This is a cool game! Can I borrow it?

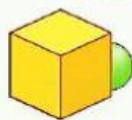

David: Oh, no! Not you, too.

What does Carlos want to borrow?

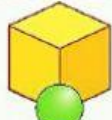

Whose bedroom is messy?
