

### **PART 5: WRITING.**

Write a for-and-against essay about the Internet and how useful it is for the school magazine. Use the ideas below to help you (60-80 words).

| <b>THE INTERNET</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                      |
