

组屋区里的设施（一）

我和家人住在政府组屋里。
组屋区有许多设施，居民要买什么或做什么，都非常方便。

I stay in a HDB flat with my family.
There are many facilities in the housing estate, it is very convenient for residents.

我家楼下就有咖啡店和小贩中心。
那里食物选择多，价格也便宜。
我经常去咖啡店或小贩中心吃早餐，才去上学。

There is a coffee shop and hawker centre below my block of flats.
Over there, the food selection is wide, and the price is affordable.
I often go to the coffee shop or hawker centre for breakfast before attending school.

小贩中心旁边是巴刹。
妈妈通常去巴刹买菜，她说那里卖的东西比较便宜。

There is a market beside the hawker centre.
My mother usually goes there to buy groceries, she says the things sold there are cheaper.
