Speaking

a) King Lear talks about the issue on needs in life. Do you agree? Discuss the difference between want and need. Complete the tree map below on the difference between want and need.

b) Have you ever **bought** something that **you want** but **not really need**? Share your experience

Bought something I but not really need

Things you bought

How do you feel?

How much is it?

Reasons you bought those things

How do you buy it?

THINK IT,
WANT IT,
GET IT
