<p>93 million miles from the sun People get ready, get ready 'Cause here it comes, it's a light A beautiful light, over the horizon Into our eyes</p> <p>Oh, my, my how beautiful Oh, my beautiful mother She told me: Son, in life you're gonna go far If you do it right, you'll love where you are</p> <p>Just know, wherever you go You <u>can always / always can</u> come home</p> <p>240 Thousand miles from the moon We've come a long way to belong here To share this view of the night A glorious night Over the horizon is another bright sky</p>	<p>Oh, my, my how beautiful Oh, my irrefutable father He told me, son, _____ it may seem dark But the absence of the light is a necessary part</p> <p>Just know, <u>you never are / you're never</u> alone You can _____ come back home You can _____ come back</p> <p>Every road is a slippery slope There <u>always is / is always</u> a hand that you can hold on to Looking deeper through the telescope You can see that your home's inside of you</p> <p>Just know, that wherever you go No, you're _____ alone You will always get back home 93 Million miles from the sun People get ready, get ready 'Cause here it comes, it's a light A beautiful light, over the horizon Into our eyes.</p>
