We're leaving

But still it's farewell

And maybe we'll come back

To Earth, who can tell?

I guess there is no one to blame

We're leaving ground -leaving ground-

Will things ever be the same again?

It's the final

The final countdown

We're heading for Venus

And still we stand tall

Because maybe they've seen us

And us all

With so many light years to go

And things to be found -to be found-

I'm that we'll all miss her so

It's the final countdown

The final countdown

The final countdown -the final countdown-

The final countdown

It's the final countdown

The final countdown
