Y6 – UNIT 6
GO GREEN

PART
1

Open your textbook and go to **page 52**. This is the same text as in the textbook. Read it.

The 3R Campaign signifies "reduce, reuse, and ". Under the campaign, three-coloured waste separation bins or better known as are provided. The recycling bins are placed at housing estates, schools, and places to collect waste such as paper, aluminium, and plastic for recycling purposes.

The blue bin is used to dispose of paper. Recyclable items such as newspapers, magazines, and can be disposed of here. items like bottled drinks, perfumes bottles, and glasses can be disposed of into the bin. The orange bin is used to dispose of aluminium and plastic waste. The waste includes cans and food product tins.

1
