

Lab Safety Worksheet

1. You must tie back long hair
2. Loose sleeves are okay because they keep dangerous things away from your skin
3. Keep your hands to yourself
4. You don't need safety goggles if you wear glasses
5. Closed-toed shoes keep your feet safe
6. Seriously, keep your hands to yourself
7. If you break something, hide it so you don't get in trouble
8. Clean up after the lab by washing & wiping things down
9. While in the lab, it's okay to poke my friend just a little
10. Not following the rules could end in getting a zero on the lab, with no chance to make it up later
