Better Now, by Post Malone

1. Look at the words in the box, then, complete the lyrics:

'cause - down - around - gave - you - say - only - everything - around

You probably think that you are better now, better now

You ……. say that 'cause I'm not ……., not ……..

You know I never meant to let you down, let you down

Woulda ……. you anything

Woulda gave you ……..

You know I …… that I am better now, better now

I only say that …… you're not around, not around

……. know I never meant to let you ……., let you down

Woulda gave you anything

Woulda gave you everything, oh-oh

2. Choose the correct word:

I did not believe that it could/would end, no

Everything came second/first to the Benzo

You're -/not even speakin' to my friends, no

You knew with/all my uncles and my aunts though

Twenty/Thirty candles, blow 'em out and open your eyes

We were lookin' forward to the rest of our/your lives

Used to keep my photo/picture posted by your bedside

Now it's on/in your dresser with the socks you don't like

3. Match the sentences:

But I can't get this shit outta my head

And I'm rollin', rollin', rollin', rollin'

With my brothers like it's Jonas, Jonas

Drinkin' Henny and I'm tryna forget

[CHORUS]

4. Put the numbers in their correct place, to put in order the sentences:

… Because no matter how my life has changed

… I keep on looking back on better days

… I just wonder what it's gonna take

… Another foreign or a bigger chain

… I was so broken over you

… Life, it goes on, what can you do?

… I seen you with your other dude

… He seemed like he was pretty cool
