Listen to the song and complete with the missing words

"Travel the world"

I love it when you make that cute face
Let's never play it too safe, hell yeah girl
Give me the _____, we'll go around
I think it's time for a new place
So pack some things in a _____
What would you say, if I said:

Let's travel the world
Let's travel the world
Let's travel the world
Let's travel the world, ohhh

They all saying that I'm next to blow
That check comes with some extra 0's
Here's a couple [?] for some extra _____
And a plane ticket down to Mexico
Something you'll remember when I'm not around
You can make shapes in the _____ now
Got a million miles left to go
So tell me what's left to know

Show me the vibe, and I show you the _____
Whatever they got just know that ours are greater
Look at us racking up miles like Davis
We waving at them all like, "Hi, haters!"
Without you, then what am I?
Chasing your love is catching a butterfly
You fixed it when it cold with a Summer rhyme
So make sure to let me know all the places you wanna' find

I love it when you make that cute face
Let's never play it too safe, hell yeah girl
Give me the keys, we'll go around
I think it's time for a new _____
So pack some things in a suitcase
What would you say, if I said:

Let's travel the world
Let's travel the world

Let's travel the world
Let's travel the world, ohhh

Listen to the song and write the numbers 1, 2, 3, and 4 in the boxes to order the paragraphs.

Let's travel the world
Let's travel the world
Let's travel the world
Let's travel the world, ohhh

She wanna' go everywhere that I go
Lead her to the end of the world
It's kinda' crazy, I know
What can I say, yeah, that's my girl
I can see her with my eyes closed
'Cause it's all about how I feel
And I'm never gonna' let you go
So tell me what's left to know

I love it when you make that cute face
Let's never play it too safe, hell yeah girl
Give me the keys, we'll go around
I think it's time for a new place
So pack some things in a suitcase
What would you say, if I said:

Show me the vibe, and I show you the skyscrapers
Whatever they got just know that ours are greater
Look at us racking up miles like Davis
We waving at them all like, "Hi, haters!"
Without you, then what am I?
Chasing your love is catching a butterfly
You fixed it when it cold with a Summer rhyme
So make sure to let me know all the places you wanna' find
