

# How many?

T.Ahlam Al-Sabari

My name is Hamed. Today it's my sister's birthday party. My dad gives me a blue balloon. My brother Saif has four big balloons. We hang all the five balloons on the wall. My mother makes a cake. She puts six candles in the cake. There are three presents for my sister.

1. How many balloons are on the wall?

 3 4 5

2. How many candles in the cake?

 4 5 6

3. How many presents are there?

 3 4 5
