V.Read and do the task followed.

My name is David. I live in Berlin, Germany. Last week, my family and I spent the summer holiday on my grandparents' farm in the countryside. It was so far from Berlin. First, we took a taxi to the airport. Then we went by plane. Everything on the farm was great. The weather was good. It was cool and sunny. We went to the farm and watered the plants. I helped my grandmother to get milk from cows, too. I found this job interesting. I did it every day until the end of the holiday. My parents liked walking on the farm and feeding sheep. We went back home yesterday.
