

Yesterday

I **was** cold.

He **was** happy.

She **was** thirsty.

It **was** rainy.

My bike **was** blue.

Mary **was** at school.

You **were** at school.

We **were** at school.

They **were** at school.

Mary and Peter **were** at school.

My bikes **were** blue.

Today

I **am** hot.

He **is** sad.

She **is** hungry.

It **is** sunny.

My bike **is** red.

Mary **is** at home.

You **are** at home.

We **are** at home.

They **are** at home.

Mary and Peter **are** at home.

My bikes **are** red.
