

# EXPORT

## Import – Export Game

board

1. A company that sells local goods to overseas buyers and ships them out of the country is an \_\_\_\_\_ company.

2. A company that buys foreign goods and ships them in from overseas is an \_\_\_\_\_ company.

3. Goods that are being transported by ship, plane, train or truck are called \_\_\_\_\_

cargo

4. Goods that are being exported or imported can be inspected by officials from \_\_\_\_\_ departments.

5. Exporters declare the value of the goods they're exporting on a customs \_\_\_\_\_ form.

duty

6. Importers often pay a customs tax called \_\_\_\_\_ that's based on the value of the imported goods.

import

7. Exporters usually prepare a bill of \_\_\_\_\_ showing a list of goods being exported and shipping instructions.

8. Goods are often shipped with a certificate of \_\_\_\_\_ showing where the goods were manufactured.

9. Buyers often ask for a "free on \_\_\_\_\_" or f.o.b. quote showing costs of both the goods and loading them onto a ship.

10. Exporters can also send "cost, insurance, freight" or c.i.f. quotes that include the cost of goods, insurance, and freight or \_\_\_\_\_ cost.
