Hi Sophie,

I've got some news for you. We're moving to London in September. I've never been there before, so I think it's going to be a very new experience for us. We're moving because my dad got a new job in a university there. My mum has wanted to live in a big city for a long time, so she's thrilled.

Personally, I feel a little bit sad because I've lived in this small village for my whole life. I've made so many friends here, so it will be difficult to leave them. But I hope that some of them can come to visit me next year. There are so many fascinating places there, I'm sure they will want to visit me.

I also took my driving test again last week. I felt very nervous and I was a bit uncomfortable, but this time I passed! I've never felt so proud before! It was my second time taking the test. Do you remember the first time I took it? I hit another car and I was really embarrassed.

Let me know your news!

Tristan
