

THE CHASQUIS

READ AND CHOOSE THE CORRECT ANSWER

The Chasquis

The Inca Empire was very big and they needed to communicate information and news. There were no newspapers, magazines, or books, so they trained young men called Chasquis. These Chasquis were excellent runners. They could run very fast for hours. They also had an excellent **memory**. They could **memorize** every **message** perfectly. When they met another Chasqui, they told the new Chasqui the message. Then, the new Chasqui memorized the message and ran to tell the next Chasqui.
