A DAY IN ANDY'S LIFE

Hello, I'm Andy. I'm very busy all the time. I go to school on weekdays and I go to the gym at the weekend. I never wake up late.

I wake up at half-past seven every day. I get dressed, I have breakfast, I brush my teeth and then I go to school. I arrive at school at quarter to nine. The first lesson starts at nine o'clock. I have lunch at school at half past noon. I go home at four o'clock in the afternoon. In the evening I rest, I do my homework and I have dinner. I go to sleep at quarter to ten at night.

My sister Annie is just three years old. She is never busy. She usually wakes up at ten o'clock in the morning. She stays home all day or she goes to the park with my mum. She watches cartoons at home. I think she is very lucky.
