

## Practice 5 Solids and Three-Dimensional Figures

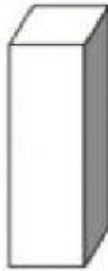

1. (a) Write down the number of each solid used in the figures.

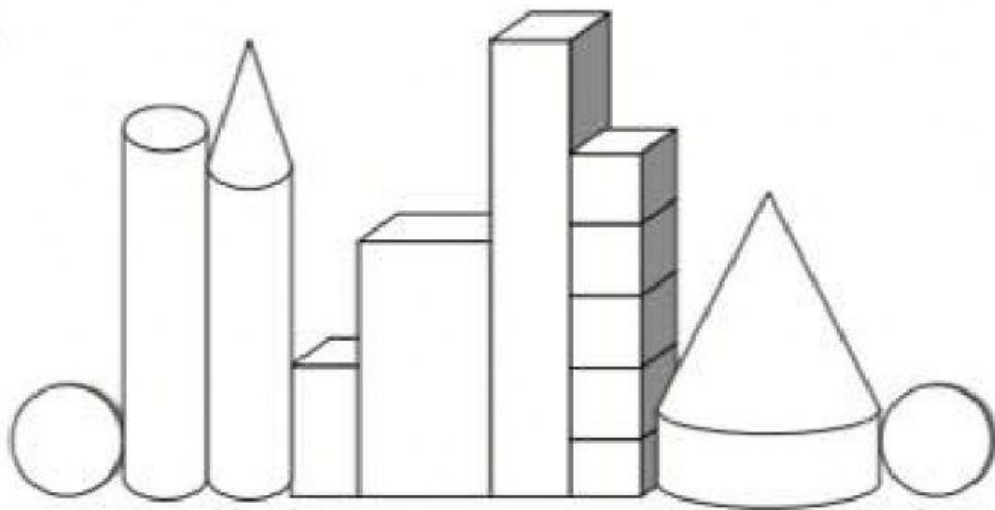

A

B

| Solid                                                                                           | A | B |
|-------------------------------------------------------------------------------------------------|---|---|
| <br>cuboid     | 2 | 2 |
| <br>cube      | 4 | 2 |
| <br>cone     | 0 | 2 |
| <br>cylinder | 0 | 2 |
| <br>sphere   | 0 | 1 |

(b)

| Solid    | Number |
|----------|--------|
| cuboid   | 3      |
| cube     | 5      |
| cone     | 2      |
| cylinder | 3      |
| sphere   | 2      |
