ALEX DAY OFF

I had a pretty relaxing day yesterday. I woke up, had some coffee, watched TV, and caught up with my favorite series. I walked my dog and then drove to the supermarket for some groceries. For the rest of the day, I took a nap, did my laundry, and paid some bills. Later in the evening, a friend invited me for dinner, so I drove 50 minutes to her house. We had a great time listening to music and drink wine. Her meal was so delicious, and I couldn't resist her dessert.
