Simon's routine

1. Read about Simon.

This is my friend Simon. He helps at home a lot! He always makes his bed in the morning and he sometimes helps his mum to cook. They like cooking cupcakes!

Also, Simon loves playing football! He usually plays in the afternoon with his little brother, Carl. They have a lot of fun!

Simon has a dog named Ollie, but he never gives his dog a bath because his dad does it!

2. Now, match the words to the pictures. When does he...?

always

usually

sometimes

never
