

Secrets

OneRepublic

I need another
to get off my chest
My gets kinda boring
Need something that I can
Til' all my sleeves are stained
From all the that I've said
Come by it honestly I
Thought you saw me wink, no
I've been on the brink, so

Chorus

me what you want to hear
Something that will those years
Sick of all the insincere
I'm gonna all my secrets away
This time, don't need another lie
Don't care if critics ever in line
I'm gonna give all my away

My God how we got this far
It's like we're chasing all those
Who's driving shiny big cars
And I see the news
All the problems that we could solve
And when a rises
Just write it into an album
Send it straight to gold
I don't like my flow, no, so

Chorus

Oh, got no, got no shame
Got no I can't blame
Just don't let me
I'mma tell you everything

Chorus x2
