WRITING

Blog Entry In a personal blog, you write about your thoughts. You describe what you saw, heard, or felt. A blog sounds like an informal conversation. You can imagine you are talking to your friends and use informal expressions like *awesome* and *cool*. You can ask your readers to post a response on your blog, too.

Cecilia's Blog

The coolest vacation ever!!!

My family and I went to Machu Picchu in Peru. It was awesome. First, I took a long train ride with my family to Aguas Calientes. From there we took a bus to Machu Picchu. The bus went slowly up the steep mountain. (I'm really glad the bus was slow.) LOL. From the bus window, I saw llamas eating grass.

When we arrived, I was excited. It was so cool to see the ruins. The Incas who built Machu Picchu were great architects. My family and I climbed the stairs all the way up to the Sun Gate. It was a difficult climb. We stopped to rest a few times because I was incredibly tired. Then we were at the top—what a view! We could see everything! I think my photos are fabulous. Tell me what you think.
