The Godfather (1972)

The film The Godfather is 1 based on the book by Mario Puzo. The film was 2 by Martin Scorsese. It 3 Marlon Brando as Vito Corleone and Al Pacino as his son, Michael. The film won three Oscars in 1973 for Best Actor (Marlon Brando), Best Movie, and Best Screenplay. The film is 4 in New York in the 1940s and 50s. It was filmed on 5 in New York and in Sicily.

The film is about the Corleone family. Vito, 'The Godfather', is head of one of the

most powerful criminal families in America. Don Vito is a fair but ruthless man, who runs his business by doing favours and expecting favours in return. The Corleones get involved in a war with other criminal families, because they don't want to sell drugs. Don Vito is shot and he is seriously injured. While Don Vito is in hospital, control of the family passes to his eldest son, Sonny. Sonny is a hot-head, and with him in charge, the war between the various families becomes more violent. Don Vito's youngest son, Michael, has always stayed outside the family business, but when Don Vito is shot, he returns home to do what he can to help the family. He also takes his revenge against the people who are trying to kill his father. In the end, Sonny is shot and Michael becomes the new Godfather.

I strongly **6** The Godfather. It has **7** , drama, an unforgettable **8** and an important message: that violence never really solves anything. The two **9** , The Godfather II and The Godfather III are also good, but the first film is definitely my favourite.
