Olympics

The Olympic Games is a famous competition where athletes from all over the world take part in many different sports. The Olympics is the oldest sports competition in the world, the first was in Greece nearly 3000 years ago! Today it happens every four years and changes country every time. In 2008 the Olympics was in Beijing, China and in 2012 it will happen in London, England. Over 13,000 athletes compete in twenty six different sports, for example, swimming, fencing, gymnastics and basketball. Athletes have to be the best in their country if they want to compete in the Olympics, and they have to train for many years to be ready. For some sports, such as athletics, thousands of spectators come to watch in huge stadiums, to cheer for the athletes from their country.

When was the first Olympic Games?

_____

Who competes in the Olympics?

_____

Where was the last Olympics?

_____
