

Complete the email with your own answers:

_____, (greeting)

_____. (opening sentence)

How are you doing? I am writing you from Colmenar Viejo. It's day 41 of the lockdown and I'm starting to get bored. I'm happy that I get to talk to my teachers and my classmates every day, but I miss going to school and being with them.

How's the situation in Valencia? Here, in Colmenar Viejo _____

(write your own "body" explaining the lockdown situation in your city and explain how you're spending your time at home. Three or four sentences. Use expressions of frequency, unit 9.)

I also want to remind you that I still have your book about the best bands in the world. Sorry I wasn't able to return it to you but I will do it as soon as possible, when it's safe to get out.

_____. (closing sentence)

_____, (farewell)

_____ (do you remember what is the last thing you have to write?)
