

Adele's 'Easy On Me' full lyrics

There ain't no gold in this river

That I've been ----- my hands in forever

I know there is ----- in these waters

But I can't bring myself to swim

When I am drowning in the-----

Baby, let me in

Go easy on me, baby

I was still a -----

Didn't get the ----- to

Feel the world around me

I had no time to choose

What I chose to do

So go easy, on me

There ----- no room for things to change

When we are both so deeply ----- in our ways

You can't----- how hard I've tried

I changed who I was to put you both first

But now I -----

Go easy on me, baby

I was still a child

Didn't get the ----- to

Feel the world around me

Had no time to choose

What I chose to do

So go easy, on me

I had good -----

And the highest hopes

But I know right now it probably doesn't even -----

Go easy on me, baby

I was still a child,

I didn't get the chance to

Feel the world around me

I had no time to -----

What I ----- to do

So go easy, on me
