

## Hospitality & Tourism Studies

### Room Rate Terms

1. This type of room is a free room approved by management of the hotel. \_\_\_\_\_
2. Points added up from previous stays or a rewards program are used for a discounted room rate by this type of guest. \_\_\_\_\_
3. A specific company and its employees get this type of rate. \_\_\_\_\_
4. This rate is offered to adult guests who have children under 18. The children may stay for free, share the room with adults and do not need an extra bed. \_\_\_\_\_
5. This rate stays the same regardless of the amount of guests in the room. \_\_\_\_\_
6. Any business traveler who shows proof, and requests it can get this rate. \_\_\_\_\_
7. This type of rate is offered to guests who are not staying overnight. \_\_\_\_\_
