READING. Read this text and circle T for true or F for false	5 x 0.4 = 2 marks
---	--------------------------

Julia is 26 years old and she is a writer for a magazine. She likes reading and listening to music after a long day. David is 30 and he is from Oxford and teaches at the university. After work, he usually goes to the gym for an hour. They met at a party two weeks ago. Last Saturday they went for a meal in a French restaurant. David spoke French to the waiter. Julia ate grilled vegetables and David had meat. They both drank red wine. For dessert, they had coffee and cake. They talked about music and books. At about 11 p.m. David paid the bill and Julia phoned for a taxi to go home. She said goodbye to him and got into the taxi. It was a nice evening and she was very happy. She wanted to see him again.

1. The text is about the menu of a restaurant
2. David speaks a foreign language.
3. Julia saw David for the first time last Saturday.
4. They drank champagne.
5. They didn't go home together.
