a) Read what Amira says.

Hi! My name is Amira, and this is my brother Ranjiv. I'm 11 and Ranjiv is 13.

My friends are Nina and Emily. We all go to Coombe Dean. It's a nice school. I really like maths and ICT, they're my best subjects. I don't like English, but that's Ranjiv's favourite subject. He doesn't like art. We love sports. I play tennis and Ranjiv is in the football team. I like basketball too.

My hobbies are reading and music. I play the drums and Ranjiv plays the guitar. We aren't very good, but it's fun. Ranjiv often plays chess with Dad, but Dad always wins. Oh, we have some animals at home too. Ranjiv has a guinea pig, Honey, and Hector is my rabbit. I'd like a cat too.
