B. Nepal

After exploring the traditions and culture of the capital Kathmandu, we'll travel into the Himalayas on foot into some remote villages. The trip finishes in Chitwan National Park where we will explore the jungle by elephant. This holiday is suitable for families or individuals travelling on their own, and many friendships have been made on our holidays.

C. France

Your holiday begins with a canoe trip down de Ardeche river to see the local wildlife and amazing views of the valley. Later in the week, we'll explore the area horse riding and try some rock climbing. We'll also visit the medieval city of Avignon to look at the city's magnificent buildings and bridges.

Your work here could involve teaching in the local school, building a health centre or helping the elderly collect water. The nearby beaches are beautiful, and perfect for quiet, restful days.
