Write the correct answer based on the Youtube video watched.

A City From The Past

This is a picture of
New York City
in the year 1900. It was
very different then.

There weren't any shopping
centres or cinemas, but there
were shops and theatres.

There weren't many cars
back then, but there were
lots of horses and carriages.
The streets of New York City
weren't quiet. They were
noisy and full of people,
just like today.
