MY HOUSE, BY MIKE THOMPSON

In my house, there are three bedrooms, a kitchen, a garden, two bathrooms and a living room. In my bedroom, there are two bedside tables. On one of the bedside tables there is a chessboard with pieces on it. On the other, there are marbles in a cup. There is also a bed between the bedside tables. There is a big wardrobe next to a window with green curtains. There is a TV next to a computer, but there isn't a telephone. And behind the computer, there is a picture of my family. There is a desk next to the TV and a skipping rope in front of the desk...
